## School Confirmation of QEF Project Participation

1. Our school would like to confirm the participation of the project: **AI-directed e-learning Platform with Innovation Adoption Support Scheme** organized by Centre for Asian Entrepreneurship and Business Values, Business School, The University of Hong Kong.
2. Our school teachers and staff would be ready to be collaborated with the project leader and team members to implement the e-learning platform toward the best practice level and improve the students' learning capability.
3. We understand the expected benefits of the project may not be always approved by the QEF approval committee and our teachers and staff will keep supportive to the project implementation.
4. **For Primary School: Have a tick for applying for the following support:**  
 Urgent Use of the Platform with the Best Practice Support by the same project team for Jan to Aug 2022  
Concession cost: HK\$50/subject/student or HK\$49,800 for all subjects and all students, whatever cost is lower.
